3rd Monday of each month - Full Day of Art! 10am - 4pm

20th January, 17th February, 16th March, 20th April

About

Learn valuable techniques to help you 'see' and transcribe the world around you more easily. Enabling you to draw & paint 'free hand' without the dependence of gridding and tracing. Use of proportion, shape & colour, values and modelling, will all be covered whilst working on your individually chosen subjects.

All abilities welcome from complete beginners to more experienced. Numbers are limited in the group to allow for plenty of individual attention.

About the tutor

[Hannah Twine](#)

Hannah works as a professional artist selling her work in galleries whilst also specialising in animal & human portrait commissions. Most of Hannah's training has been with Nicholas Beer, Senior instructor at the Charles Cecil Studios, Florence.
