

Mary Ann Mackenzie - Mixed Media Drawing | 2 day course | August

“Art is a line around your thoughts” Gustav Klimt

Drawing is one of those disciplines that we all want to learn but often don't know how to start. There is a great deal of fear around making a mark on a clean white sheet of paper!

Mary Ann Mackenzie - Mixed Media Drawing | 2 day course | August

This course is aimed at working with unconventional drawing techniques and materials which bamboozles the 'thinking mind' into being silenced. This allows the sheer joy of mark-making to flow without self-criticism getting in the way.

Come and try a new way of drawing with tutor Mary Ann Mackenzie, who will introduce you to a huge range of different ways into the subject.

Saturday 15th and Sunday 16th August 2020
